72 Keys

Now available from Ensystex, the PETI Mouse Station delivers maximum placement versatility in a compact footprint. Designed with an ultra-low clearance profile of just 1.5 inches (5" x 4" x 1.5"), it fits seamlessly into tight, restricted spaces where traditional stations cannot go. The PETI station features integrated screw knockouts for secure mounting and a single-key operation for fast, efficient servicing. Cost-effective and built for fast deployment, it is packaged in cases of 72 stations.
